

Emergency duty by public pharmacies in the Canton of Zurich

Issued by the emergency-duty commission of the Canton of Zurich pharmacies on behalf of the Canton of Zurich Society of Pharmacists.

24 hours a day, 365 days a year, the Zurich pharmacies ensure the supply of medication throughout the Canton of Zurich. The principal pillars of the emergency-supply service are the pharmacies on emergency duty and PharmaTaxi. Reliable emergency supplies are assured from three centres in the Canton of Zurich. The costs of the emergency service are shared by all pharmacies in the Canton of Zurich under a principle of solidarity.

The Zurich pharmacies operate ApoFon, a consultation hotline that is available at all times. Your call will be forwarded immediately to a pharmacy on emergency duty.

ApoFon 0900 55 35 55
(CHF 1.50 per minute)

Pharmacies on emergency duty in the city of Zurich

The pharmacies on emergency duty in the city of Zurich are open at least 12 hours a day, including Sundays and public holidays. One pharmacy, Bellevue Apotheke, is open 24/7, all year.

City of Zurich

PharmaTaxi

Information at www.avkz.ch/notfalldienst or under 0900 55 35 55 (CHF 1.50 per minute).

The usual practice is for patients, members of their families, or their neighbors to collect medications directly from the pharmacies on emergency duty. It is, however, possible to call PharmaTaxi if the state of the patient is too severe to travel to the pharmacy in person and if the medication is needed urgently. On Sundays, on public holidays and at night, PharmaTaxi delivers medications prescribed by a doctor free-of-charge to the patient's bed. This, under

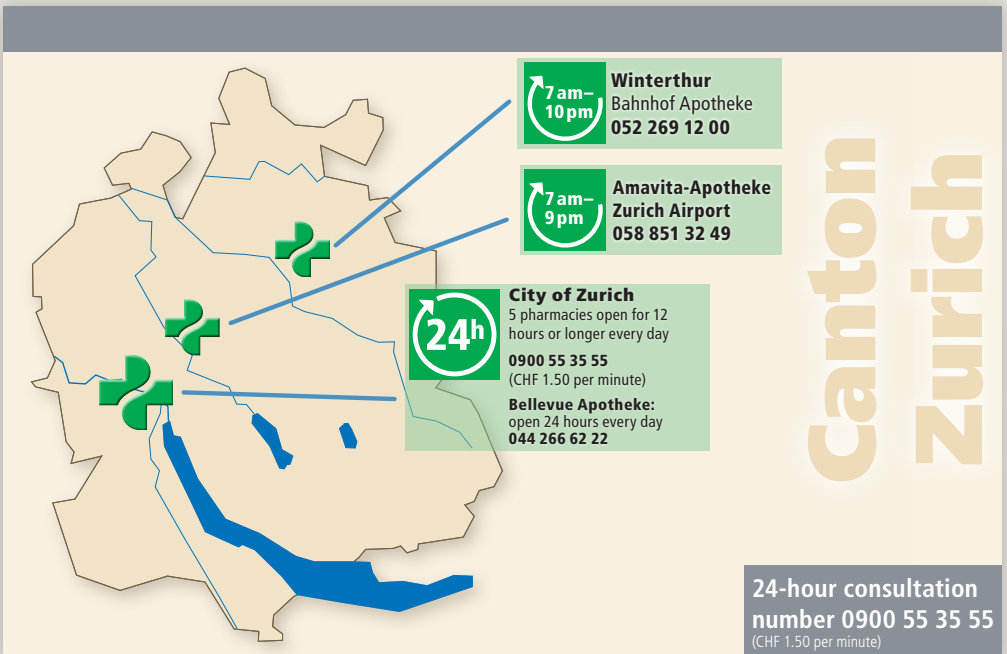

the condition that the local pharmacy is closed and that a doctor on emergency duty places the order. In such a case, the pharmacies cover the delivery costs.

For deliveries not covered by these conditions, the patient has to contribute towards the costs of running the PharmaTaxi service. The fee is CHF 30.– for deliveries within the cities of Zurich and Winterthur, and CHF 50.– for anywhere else in the Canton of Zurich.
